Journal of Heat Transfer

Author Index

All authors of papers published in this volume are listed alphabetically. Full titles are included in each first author's entry. Letters in parentheses follow some of the page numbers: TN indicates Technical Note, D indicates Discussion, E indicates Errata, RC indicates Rapid Communication, BR indicates Book Review, and G indicates Heat Transfer Gallery.

Abdel-Khalik, S. I. — (see Kennedy, J. E.) **122,** 118–125
